Site Alteration Permit Checklist Overview

The Excelsior Heritage Preservation Commission (HPC) reviews land use activities that may affect Excelsior's historical and architectural attributes and has prepared a checklist to assist you in applying for a Site Alteration Permit. In addition to the general materials listed on page 1, applicants should refer to the checklist below for additional requirements applicable to particular types of projects. A summary of HPC Guidelines are also available at Excelsior City Hall.

Please be thorough in completing the checklist. The decision of the HPC will be based on the completed checklist and other materials you submit. Any unidentified alterations not shown on the checklist or application materials will need to be discussed with staff and possibly returned to the HPC for further review. Work completed without the HPC's approval is in violation of the City Code and may be subject to fines or penalties. The Excelsior City Staff is available to answer questions regarding the application and checklist. You may contact them at 952-474-5233.

Decisions of the Heritage Preservation Commission may be appealed by filing notice with the City Clerk within 10 business days following the meeting.
